Red River Bank on LSU's Fastest Growing Companies List

ALEXANDRIA, La., September 24, 2024 – Red River Bank has earned a ranking on Louisiana State University's 2024 LSU100 list of fastest growing LSU graduate owned or led companies. In addition to celebrating the success of LSU graduates, the LSU100 program provides a forum for LSU graduates to pass business success guidance on to the next generation of LSU entrepreneurs.

Red River Bank is led by President and Chief Executive Officer R. Blake Chatelain, a finance graduate of LSU. Joining Blake on the bank's leadership team is Bryon C. Salazar, Executive Vice President and Chief Banking Officer, who also holds a B.S. in Finance from LSU. Many other LSU graduates are employed in various departments throughout Red River Bank.

"To know we are one of the Top 100 fastest growing LSU graduate-owned companies is a testament to our belief in the importance of operating a customer-oriented and well-capitalized bank," said Red River Bank President and Chief Executive Officer Blake Chatelain. "Being recognized by your alma mater is always an honor, but when it's for your own company's success, it makes the honor all the more special. Geaux Tigers!"

Honorees will learn their official ranking on the LSU100 List at the LSU100 Gala in early November.
